Inspire Automation - Systec & Automatan will be exhibiting in booth #407

Stop by our booth to learn about new services we're offering and our new line of Systec material handling products including: the [FastPal Robotic Pallet Dispenser](#), [Load Palletizing Device](#), [Bundle Breaker](#) and more.

Speak to your regional sales manager about how Inspire Automation can provide you with full plant solutions including: automation, robotics, litho labeling, load handling and material handling.

Some of the top names in the industry have joined our sales and engineering team this year, including:

- **Ian Smith** - Regional Sales Manager in the Midwest territory
- **Kevin Baldwin** - Regional Sales Manager in the South East territory
- **Shari Saeger** - Regional Sales Manager in the North Central territory
- **David Ripley** - Controls System Specialist

While you're at the booth, don't forget to enter to win the [YETI backpack cooler!](#)

FREE VIP Pass for Box Plant Employees

Did you know that box plant employees can attend the exhibit for free?

[Contact your regional sales manager](#) to set an appointment at the show or to request your VIP Pass for box plant employees.
